Steps to Success

WALK You don't have to be athletic to participate! Choose your own pace to complete the 2.4 mile walk around downtown Prescott. You will have a chance to tour CPC. Get an upclose look at where lives will be saved and see our 3D/4D Ultrasound machine. Can't walk that day? No problem! You can walk anytime. It still counts!

GET SPONSORS Supporting the life-saving ministry of CPC is easy – you don't even need to collect the money. Your sponsors can give online or we will collect your pledges through the mail for you. Use this pledge form to get sponsors or register online and use the online fundraising page. Bring or mail in the donations you have for the walk and we will send your sponsors a receipt.

MAKE A DIFFERENCE Ask others to join you as you walk and get support and build a team of walkers. Help spread the word about the Walk at your church or work. We can help you get all the supplies to have an information table. Just contact us at (928) 778-7654.

Top Walker Tips

The following fundraising tips will help you as you strive to meet your goal.

- * **Set a goal.** Write the amount you want to raise on your pledge form or online personal page. Another goal might be to ask one person every day to sponsor you - each day from now until the walk.
- * **Be social.** Use Facebook, Twitter, or LinkedIn to promote the Walk. Email your friends with your webpage link and ask them to sponsor you.
- * Start your pledge sheet with a generous pledge. Most people will follow the example of the first pledge on your sheet. Ask that people match your largest gift amount.
- * **Tax Credit.** Let others know that donations to CPC can be applied toward the Arizona Charitable Organization Tax Credit. People that sponsor may be able get a dollar-for-dollar credit for their donation. Go to www.CPCPrescott.org for details.
- * **Pledge \$ yourself.** Others will appreciate that you are contributing both your time and your dollars.
- * **Send out a letter.** Write to friends and family for their support and prayers. A letter in the mail goes a long way in this age of emails and internet. Make sure to thank them once they give.
- * **Be enthusiastic** when you ask for pledges. Your excitement really brings a lot, and it's not all that often that people are asked to give toward a cause that matters to someone they know.

If your donors want to send in their money later, mark "Pledge (Bill Me)" and we will send them a statement after the Walk.
